A Future for White Children

Description: Blond, red, or brown hair, fair skin; innocent, inquisitive, intelligent, trusting personality. Corrupt politicians and minority special-interest groups have abducted her future. There will be no future for her in the Third World America that our nation's enemies are planning. Let us take back our country and make it great, clean, decent, and beautiful once again. For our children's sake. The men and women of the Creativity Movement want you to join in this great, patriotic effort.
